**Rob Gronkowski** ain't the only guy on the Patriots who loves to party -- Super Bowl hero **Malcolm Butler** hit the club scene hard in Vegas last night ... and **TMZ Sports** has the pics!

Butler was the guest of honor at Chateau nightclub in the Paris Las Vegas -- where the 24-year-old got his own booth, his own custom champagne ... and his own personal cheerleaders.

Multiple sources tell us Butler was super nice to everyone -- taking pics with fans and dancing all night long.

It's been a pretty good month for Butler -- as we previously reported, Chevy decided to give him a FREE TRUCK for making that game-saving interception in the Super Bowl.

Sounds like a reason to party to us .
